EDUCATION

| | |
|----------------------------------|--|
| Bachelor of Arts 2019 - 2022 | University of Texas at Austin Major: Psychology & English Magna Cum Laude GPA: 3.9 Minor: UTeach-Liberal Arts |
| Associate of Arts 2016 - 2018 | Coastal Carolina Community College , Jacksonville, NC Dean's List Spotlight Graduate GPA: 3.8 |
| 2013 - 2014 | University of Texas at Arlington GPA: 3.6 |

HONORS, AWARDS, & SCHOLARSHIPS

| | |
|-------------|---|
| 2022 | Upper Division Liberal Arts Honors, UT Austin |
| 2022 | Frances Eggleston Goldbeck Scholarship Fund, UT Austin |
| 2021 | Veteran Student Leadership Scholarship, UT Austin |
| 2021 | Lee and Joe Jamail Endowed Secondary Teacher Education Scholarship, UT Austin |
| 2021 | Doug and Helen Benton Endowed Presidential Scholarship, UT Austin |
| 2021 | Dean Perkins Foundation Combat Veteran Scholarship, UT Austin |
| 2020 - 2022 | College of Liberal Arts Department Honors, UT Austin |
| 2020 | 2 nd place award for research paper, Undergraduate Studies Writing Flag, Research – Humanities division, UT Austin |
| 2019 | Sigma Alpha Lambda, UT Austin |
| 2018 | Navy and Marine Corps Achievement Medal, U.S. Department of the Navy |
| 2017 | Phi Kappa Theta, Coastal Carolina Community College |

RESEARCH EXPERIENCE

| | |
|-------------|---|
| 2023 - 2026 | Anxiety and Health Behaviors Lab, University of Texas at Austin <i>Supervisor:</i> Jasper Smits, Ph.D. <i>Role:</i> Research Program Coordinator 2025 - 2026 <ul style="list-style-type: none">Led site operations for a multisite dissertation study examining the role of neurocognitive functioning in extinction learning (NET-B) in patients with anxiety-related disordersRecruited and screened individuals with treatment-resistant PTSD for a multisite DoD-funded trial evaluating the augmentation of prolonged exposure therapy with vagus nerve stimulation (VNS)Hired, trained, and mentored research staff in study implementation, protocol adherence, and poster writing <i>Role:</i> Research Coordinator 2023 - 2025 <ul style="list-style-type: none">Coordinated a multisite NIMH-funded R01 study investigating CO₂ reactivity as a biomarker of non-response to exposure-based therapy (CO₂ Biomarker) among those with anxiety-related disorders |
|-------------|---|

- Oversaw study operations, including recruitment (120+), screening, retention, scheduling, compensation, and data management
- Conducted respiratory challenges (40+) and maintained lab safety protocols (e.g., equipment disinfection and chemical waste disposal)
- Collected and cleaned long-form datasets
- Built and submitted National Data Archive data structures
- Managed project finances and regulatory submissions to the IRB, DSMB, and NIH
- Led weekly cross-site meetings to ensure compliance and mitigate drift
- Trained and supervised 15 undergraduate RAs, including developing and leading professional development

2024 - 2026

Exposure Therapy Consortium, University of Texas at Austin

Supervisor: Jasper Smits, Ph.D., and Hayley Fitzgerald, Ph.D. (Boston University)

Role: Collaborating Researcher and Website Manager

- Designed and managed consortium website, supporting collaboration across 24 international institutions
- Acted as principal site coordinator for global study on state vs. trait affect as a moderator for college students with public speaking anxiety (516 participants), managing end-to-end study operations
- Collaborated with PIs to develop protocol training modules and pilot data-sharing procedures
- Contributed to manuscripts, presentations, and symposium submissions

2020

IC² Institute, University of Texas at Austin

Supervisor: Gregory Pogue

Role: Student Researcher

- Conducted mixed-methods research and analysis on the economic impact of COVID-19 on rural Texas communities (Dayton and Marfa, TX)
- Liaised with city government, libraries, school districts, and newspapers to improve recruitment efforts, conducting 15+ interviews
- Drafted and distributed a press release published in the local newspaper
- Presented potential economic sustainability recommendations to the city council

CLINICAL EXPERIENCE

2025 - 2026

Anxiety and Health Behaviors Lab, University of Texas at Austin

Supervisors: Jasper Smits, Ph.D., and Talya Leibowicz, Ph.D.

Role: Clinical Assessment Coordinator

- Administered structured clinical interviews (i.e., CGI-I [50+], C-SSRS [15+], and the E-TRIP [20+] for patients with anxiety-related disorders in the CO₂ Biomarker study
- Presented 15 patient cases during supervision for final medical and clinical screening, and conducted Clinician-Administered PTSD Scale for DSM-V (30+) in the VNS study
- Administered a battery of neurocognitive assessments (15) in the NET-B study

TEACHING & LEADERSHIP EXPERIENCE

2022

Round Rock High School, Round Rock, TX

Role: Academic and Advanced English II Teacher

- Designed and delivered 90-minute lessons to six classes of approximately 30 students
- Modified coursework and implemented accommodations for students with disabilities (i.e., ADHD, ASD, DID, PTSD, and auditory processing disorder)
- Documented emotional and academic growth for students with special needs
- Provided one-on-one and small group tutorials

2014 - 2018

United States Marine Corps, Jacksonville, NC

Role: Maintenance Management Chief & Logistics Manager

- Created maintenance management, facilities management, and explosives safety programs, along with standard implementation procedures for headquarters and eight subordinate companies of approximately 250 - 300 Marines
- Annually led over 144 hours of training for junior and senior staff
- Wrote naval correspondence, standard operating procedures, and company chronology reports that became the template for all east coast aviation group operations
- Represented the organization at regional-level regulatory meetings to address process analysis and improvement

Moore, T. (2020). We reap what you sow: How white constructs reinforce the extended black family. *Texas ScholarWorks*. <http://dx.doi.org/10.26153/tsw/12354>

CONFERENCE PRESENTATIONS

- Fitzgerald, H. E., Liu, Q., Yang, S., Ovalles, A. A., Tang, M., Collins, D., **Moore, S.**, Parsons, M., Monfils, M-H., Telch, M., Smits, J. A.J., & Otto, M. W. (2026, November) *Associations among anxiety sensitivity, intolerance of uncertainty, and experiential avoidance: What is the degree to which these key markers of anxiety pathology are distinct from each other* [Poster presentation]. ABCT 2026 Convention, Baltimore, MD.
- Flynn, D., **Moore, T. M.**, Long, L. J., Monfils, M-H., Otto, M. W., Telch, M., Smits, J. A.J. (2026, August). *Sleep and Hope During Exposure Therapy for Anxiety: Longitudinal Study* [Poster presentation]. APA 2026 Convention, Washington, DC.
- Flynn, D., **Moore, T. M.**, Long, L. J., Monfils, M-H., Otto, M. W., Telch, M., Smits, J. A.J. (2026, April). *Hoping to get some sleep? An analysis of hope and sleep's relationship in patients with anxiety during a longitudinal exposure-based therapy protocol* [Poster presentation]. ADAA 2026 Convention, Chicago, IL.
- Moore, T. M.**, Beevers, C. G., Stewart, R., Labrada, J. (2024, November). *Sleep's interrelationship with depression phenotypes more commonly presented in african american women* [Poster presentation]. ABCT 2024 Convention, Philadelphia, PA.

CLINICAL TRAINING & WORKSHOPS

- | | |
|------|---|
| 2025 | Suicide Risk Assessment Training (C-SSRS) (1 hour) Online workshop led by Marie Parsons, Ph.D., Boston University |
| 2024 | Understanding Stigma and Discrimination as Drivers of Mental Health Disparities Diverse, Rural, LGBTQ+ Communities (1.5 hours) Online webinar hosted by the NIMH Office of Disparities Research and Workforce Diversity |
| 2024 | Black in Psych: “R You Ready?” Advanced Data Visualization with R (2 hours) Online workshop led by Ketura Elie, B.S., and Joscelin Rocha-Hidalgo, Ph.D. |
| 2024 | Black in Psych: “R You Ready?” Visualizing Data with R (2 hours) Online workshop led by Ketura Elie, B.S., and Joscelin Rocha-Hidalgo, Ph.D. |
| 2023 | Clinician Global Impression-Improvement Scale (CGI-1) (4 hours) Online course created by Marie Parsons, Ph.D., and Laura Long, Ph.D., Boston University |
| 2023 | Clinician-Administered PTSD Scale for DSM-V (CAPS-5) (12 hours) Online course including three training simulations, National Center for PTSD |

TECHNICAL SKILLS

- | | |
|--|---|
| Data Collection | REDCap and Qualtrics (<i>Intermediate</i>) |
| Data Cleaning | Excel (<i>Intermediate</i>) |
| Data Analysis and Visualization | R and R Studio (<i>Novice</i>) |
| Website Design | HTML, CSS, Gantry, WordPress, and Wix (<i>Intermediate</i>) |

CERTIFICATIONS

2023 - Present **Social and Behavioral Subjects Research**, CITI Program
